MEMORANDUM FOR: Colonel Stanley J. Grogan

SUBJECT : Speech Given by the DCI

1. Yesterday I called your office to determine whether there was a supply available of the Director's speech to the Veterans of Foreign Wars and did learn that you have such a supply.

2. The person, whose address is listed below, stated that the Security Office of the Atomic Energy Commission, was particularly interested in receiving a "large" supply of these. A later discussion indicated that they would like to receive three hundred copies, if we have them. Consistent with your policy on such distribution, could you send a supply to:

Mr. M. A. DeMatteis
